Sl.	Agency / Firm	SI	Bidding Document Reference	content of RFP that requires clarification	Points of clarification required	Suggestion (if any)	Clarifications / Modifications made
				One project not less than the amount of 140 crore or two project not less than the amount of 105 crore or three project not less than the amount of 70 crore.	Tender pre-qualification and technical evaluation criteria is heavily bent towards the traders, having diverse supply experience in educational products like Math/ Language lab, IT etc. whereas the OEMs of Robotics/STEM Labs, which are the most prominent part of the Project. Their Manufacturing Capabilities, Past Experience, Authorizations etc are not in preview of tender	Kindly amend Pre-qualification and Technical Evaluation for the relevant experience in Robotics/STEM Education, in line with the project estimation cost.  The OEM credentials Robotics/STEM Labs shall also be included in the pre-qualification/technical evaluation	As per RFP.
				Similar experience assignment defined as: supply of supply and maintenance of IT/ITES/ educational lab,		Kindly make a provision for the OEMs of Robotics/STEM Labs to participate directly or through there authorised distributors having supply experience in	As per RFP.
				CMMI level 3 or above	CMMI Level is relevant with software but not with the manufacturing of Robotics/STEM kits, which form a major component of this project.	Kindly remove this criterion from the pre-qualification criteria as it is not relevant to the major components of the project.	As per RFP.
