Part I: General Terms

GOALS OF THIS EXPRESSION OF INTEREST (EOI)

The objective of this Eoi is to solicit proposals from the interested bidders for participation in a bid process for selection of Service Provider for development of an integrated E-MIS platform for the Education Department, Govt. of Bihar. Currently, several information systems like U-DISE, SDMIS, Shaala Siddhi, State's MIS initiatives, etc., are functional in the State. These systems require an urgent need to get integrated, extended and made holistic. The system will cater 'End-to-End' lifecycle of all the significant stakeholders of state school education system (Zero to XII) – Students/Teachers/Schools/Parents/State Govt Edu Dept/Autonomous Bodies (Boards).

EOI ISSUING AUTHORITY

The Bihar Education Project Council, on behalf of Education Department Govt. of Bihar, which is State Implementation Society (SIS) for “Samagra Shiksha” intends to short-list potential bidders. Department's decision with regard to the short-listing of bidders through this Eoi shall be final, and the Department reserves the right to reject any or all the bids without assigning any reason.

AVAILABILITY OF THE EOI DOCUMENTS

Eoi can be downloaded from the BEPC website. The bidders are expected to examine all instructions, forms, terms, project requirements and other details in the Eoi documents. Failure to furnish complete information as mentioned in the Eoi documents or submission of a proposal not substantially responsive to the Eoi documents in every respect will be at the bidder's risk and may result in rejection of the proposal.

BIDDERS' CONFERENCE

The BEPC will host a bidder's Conference at the address given under section "Part-I: General Terms". The conference will be held tentatively as per the schedule given in Section 3. The representatives of the interested organisations (restricted to two persons) may attend the bidders' Conference at their own cost. The purpose of the Conference is to provide bidders with any clarifications regarding the EoI. It will also provide each Bidder with an opportunity to seek clarifications regarding any aspect of the EoI and the project.

EOI PROCESSING FEES

The EoI must be accompanied by EoI Processing Fees of Rs. 10,000/- (Ten Thousand Only) in the shape of Demand Draft from any Nationalised/Scheduled Bank in favour of "BEP-SSA" payable at Patna. No bidder is exempted from submission of the EoI Processing Fees.

VENUE & DEADLINE FOR SUBMISSION OF PROPOSALS

Proposals, in its complete form in all respects as specified in the EoI, must be submitted to the BEPC at the address given under section "Part-I: General Terms" as per scheduled date and time. Late proposals will be summarily rejected.

The BEPC may, in exceptional circumstances and at its discretion, extend the deadline for submission of proposals by issuing an addendum to be made available on the BEPC's website, in which case all rights and obligations of the BEPC and the bidders previously subject to the original deadline will thereafter be subject to the deadline as extended.

Part II: Scope of Services

BACKGROUND

About the Education Department, Govt. of Bihar

The Department of Education, Bihar is responsible for preserving the glorious history of the State as used to be in the golden era of Nalanda University and Vikramshila University. The Department is concerned with providing education and setting up related frames and infrastructure across the State. With five directorates and several apex bodies, the Department has been working to create a facilitative environment in which youth, women and others would explore their knowledge and skills by pursuing primary, secondary, higher and mass education.

The strength of the State is not only the revenue it generates but also the education and the character of the people it maintains. Hence, Department of Education, Bihar has been functioning hard with the ultimate aims to regain its past glory in the field of education so that the State can retain the meaning of Bihar, i.e. walk ahead with confidence and prosperity spreading the light of knowledge as used to be in Buddha's era.

Background and Rationale: ShikshaKosh Project

ShikshaKosh is a Bihar state government initiative for 'Bringing Integrated Data to Education'. Currently, several information systems like U-DISE, SDMIS, Shaala Siddhi, State's MIS initiatives, etc., are functional in the State. These systems require an urgent need to get integrated, extended and made holistic.

U-DISE Data provide a yearly snapshot of Schools, Teachers and Student Enrolment. However, SDMIS provides an annual snapshot of complete student information. Shaala Siddhi is a system that is for online school self-evaluation as a tool of school improvement. MIS systems created by States, i.e. Interactive Voice Response System (IVRS) of MDM, MIS of MDM, BEST App etc. are being used for their specific information needs. Apart from these, State has an online Medhasoft platform for Direct Benefit Transfer (DBT) of all incentives given to students.

Seeing the above scenario, where State has no single system catering to the end-to-end value chain for E-MIS, there is an urgent need to provide a single platform that should cater to the need of the State. This would be an excellent opportunity to reap the benefits of an integrated and robust, MIS and database system.

No doubt, the journey for the single platform from data collection to data usage is most difficult. But the success of the platform may lead to accurate decision-making/usage. This will also help in avoiding duplication of effort and wastage of resources due to multiple systems. The system will cater 'End-to-End' lifecycle of all the significant stakeholders of state school education system (Zero to XII) – Students/Teachers/Schools/Parents/State Govt Edu Dept/Autonomous Bodies (Boards).

SCOPE OF WORK

b. Application Solution Components

The overall architecture of ShikshaKosh system will use the SOA architecture pattern. Additionally, the individual layers will follow the multi-tier architectural style that is, Presentation, Business and Data tiers, to implement the functional, non-functional and aesthetic needs of the software system. The system will be components based, easy to maintain and enhance.

It is envisaged that ShikshaKosh will provide an integrated platform for various current information applications with additional business and administrative processes in its scope designed to provide a significantly enhanced experience to the end-users.

Open-source technologies will be preferred to develop the system. However, the solution provider will propose the best suitable technologies considering all factors of cost, like fees, performance, security, availability of technical resources and maintenance etc. in his proposal. The solution provider will provide the high level solution & technical architecture of the proposed system in his proposal.

c. Timeline of the Project

The indicative timelines ¹for the implementation of project activities in a number of months are as shown in the table below:

Activity	Timeline for the Project (in number of months)													
	M1	M2	M3	M4	M5	M6	M7	M8	M9	M10	M11	M12	M60
Project Kick-off	→													
Initial Study/URS & SRS	→													
Approval of URS/SRS		→												

¹ This timeline is assuming that Key resources are available before kick-off

Expression of Interest – ShikshaKosh Project

d. Infrastructure Component

Procurement of Infrastructure such as Server/Cloud Services, Data Capture Devices like Camera and data input tools such as Mobile /Tab /Desktop etc. is not under the scope of this EoI. However, the solution provider will propose the best suitable technologies considering all factors of cost, like fees, performance, security, availability of technical resources and maintenance etc. in his proposal.

e. Operations & Maintenance Services

The Bidder would develop the MIS, rollout and maintain for a period of 5 years.

f. Key Deliverables

Following performance outcomes will be delivered by the Party on the Second Part through the project:

- I. **Initial Study/URS and Requirements Specification (SRS) Document:** This document shall bring out all the requirements for the implementation of the web-based integrated MIS system. These requirements will be gathered from the stakeholders/users of the system at all the levels by the Bidder. Architecture documents (Application and DB) and detail test reports should also be part of deliverables.
- II. **Software Code:** The software application code for the project will be developed based on the SRS document. All the modules of the software should be integrated to bring out an integrated software environment that should meet all the functional needs of the project. Arti
- III. **Testing & Acceptance:** Testing of the software for the project shall happen at different stages of the project. All independent units/modules developed to address various aspects of the functional requirements will be independently tested for correct functioning. Actual users will be called upon to test the final code during the "User Acceptance Testing" phase of the project. Upon user acceptance, the code will

Expression of Interest – ShikshaKosh Project
be ready to be put to productive use.

- IV. **System Roll Out:** Once the system passes through the user acceptance testing successful, it shall be rolled out on servers and made available to all the stakeholders of the project by the Party on the Second Part.
- V. **Operations & Facility Management:** Once the system goes live, it shall be operated and maintained using facility management. The task of facility management shall ensure that day to day working of the system is maintained efficiently, desired reports are generated, new users get added, and old users get deleted from the system, regular backups are taken to ensure that historical data is never lost etc.
- VI. **System Maintenance:** The Party on the Second Part shall provide maintenance support for the developed IT infrastructure. Such support shall ensure that the hardware, system software, application software etc. gets regularly maintained free of cost during one year warranty period of the project to start after User Acceptance Test (UAT) sign-off of the project and for another four years thereafter.
- VII. **Training and Capacity Building:** To efficiently operate the developed system, the Department will require enhancing its capacity. The capacity building exercise shall include training in the application areas of the web-enabled MIS software. The Party on the Second Part shall impart training to MIS and User Staffs of the State, District and Sub-district level offices in a phased manner. Training must cover both classroom and hands-on, and necessary training material and documents must be provided to the participants.

g. Payment Model

- (a) The payments arrangements under this project would be as follows:

Milestones	Payment terms
1. Initial Study & Submission of URS and SRS	10%
2. Upon Testing & Acceptance of the software	40%
3. Project Operation and maintenance	10% Yearly payments subject to successful support and maintenance.
4. Transfer of data and software to the new arrangement	10% at the end of the contract period subject to the successful transfer of data and software to the new arrangement.
Note: 1) No interest would be payable on delayed payments. However, BSPP would normally make every possible effort to make payments promptly. 2) The bidder will have to submit a Performance Bank Guarantee (PBG) @10% of the total contract value for the entire duration of the project.	

Expression of Interest – ShikshaKosh Project

The pre-qualified bidders, to whom the RFP will be released, will be provided with the opportunity for due-diligence before the submission of their techno-commercial proposal during the RFP bid process under the e-tendering system. The pre-qualified bidders will have to send the requests beforehand for required documentation on the current business processes, applications, infrastructure and operations & services so that the Department can provide the same to the bidders during the due-diligence process.

The requirements given in this Expression of Interest are indicative only, and the Department will seek inputs from the pre-qualified bidders in further refining the requirements and all aspects of services before finalising the Request for Proposal.
