1. Background Introduction of BEPC

Bihar Education Project Council (BEPC) an autonomous body of Education Department, Govt. of Bihar, has now completed about two and half decade in implementing various education programme in the state up to secondary/Senior secondary level. At the onset, BEPC had successfully implemented World Bank assisted five-year District Primary Educational Programme (DPEP) which concluded in the Financial Year 2005-06 in eleven educational districts i.e. twenty revenue districts of Bihar as State Implementation Society (SIS).

The council has also honour of successfully implementing the Government of India sponsored ten-year Sarva Shiksha Abhiyan (SSA) as State Implementation Society (SIS) in all the 38 districts of Bihar. One Society, namely "State Programme for Elementary Education Development (SPEED)" which was earlier implementing the SSA in four districts (Saharsa, Nalanda, Patna and Supaul) has also been merged with BEPC as per the decision of the state Government.

Bihar Education Project Council has now been entrusted to implement Samagra Shiksha, a holistic school education programme in the backdrop of National Education Policy, 2020 after the successful implementation of BEP, DPEP III, Sarva Shiksha Abhiyan along with NPEGEL. Considering the approval of Cabinet Committee on Economic Affairs, the Samagra Shiksha Abhiyan- an integrated scheme for school education (ISSE), Bihar Government has taken decision to run this centrally sponsored Scheme which has submerged three schemes of Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shikhsa Abhiyan (RMSA) and Teacher Education (TE) through the Bihar Education Project Council (BEPC) – the single State Implementation Society (SIS). The integrated scheme on School Education envisages the school as a continuum from pre-school, primary, upper primary, Secondary to Senior Secondary levels. The vision of the scheme is to ensure inclusive and equitable quality education from pre-school to senior secondary stage in accordance with Sustainable Development Goal (SDG) for Education.

2. Rationale for this EoI

- i. The BEPC, Education Department, Bihar is inviting Expressions of Interest (EoI) from experienced & qualified manufacturer/OEMs for Empanelment as supplier for Supply of sports kit at Government primary/middle/secondary/senior secondary schools in Bihar. The purpose of this EoI is to identify and shortlist manufacturer/OEMs who can meet our requirements and demonstrate the ability to supply high-quality Sports Kit in a timely and cost-effective manner.
- ii. The manufacturer/OEMs are expected to examine the project requirements and other information in this documents. Failure to furnish all information required as mentioned in this documents or submission of a proposal not substantially responsive to this EoI documents in every respect will be at the manufacturer/OEM 's risk and may result in rejection of the proposal.
